WESTBOUND I-4 EXIT RAMP (EXIT 80) TO ORANGE BLOSSOM TRAIL IS CHANGING IN LATE AUGUST

A TEMPORARY WESTBOUND INTERSTATE 4 (I-4) EXIT RAMP TO SOUTHBOUND ORANGE BLOSSOM TRAIL (US 17-92/441) IS SCHEDULED TO REPLACE AN OLD RAMP IN LATE AUGUST 2016. THE NEW RAMP REQUIRES MOTORISTS TO EXIT WESTBOUND I-4 SOONER.

This long-term traffic pattern requires westbound I-4 motorists wishing to exit onto southbound Orange Blossom Trail to make a decision about a quarter mile sooner than the previous exit ramp. The temporary ramp forms a temporary intersection at Orange Blossom Trail, between the westbound and eastbound lanes of I-4. A temporary traffic light at the intersection allows motorists to only turn left onto southbound Orange Blossom Trail. This new traffic pattern is necessary for the reconstruction of Orange Blossom Trail interchange.

Motorists should be aware that modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving in this vicinity through the work zone.
