EASTBOUND I-4 ROLLING ROADBLOCK FROM S.R. 408 TO MAITLAND BLVD

Rolling roadblocks on eastbound Interstate 4 (I-4) from State Road 408 (S.R. 408) to Maitland Boulevard (S.R. 414) are scheduled between 12 a.m. to 5 a.m. on Sunday, January 22, through Monday, January 23. To ensure no vehicles jump ahead of the rolling roadblock, eastbound I-4 entrance ramps will be temporarily blocked by law enforcement officers. As the pace car passes an interchange, its eastbound I-4 entrance ramp will be reopened allowing motorists to enter and join the slow roll. The rolling roadblock and temporary closures of eastbound I-4 entrance ramps create a 30-minute window for crews to place girders over eastbound I-4 for the new Wymore Road overpass. Two or three rolling roadblocks are scheduled overnight. Public safety vehicles (law enforcement, fire rescue, etc.) are permitted to skip past the rolling roadblock to respond to an emergency call.

For real-time traffic information on I-4, including up-to-date progress on rolling roadblocks, stay tuned to the Florida Department of Transportation's 511 Traveler Information System. Visit **FL511.com** for I-4 travel times.
