WESTBOUND I-4 ROLLING ROADBLOCK FROM MAITLAND BOULEVARD TO S.R. 408

Rolling roadblocks on westbound Interstate 4 (I-4) from Maitland Boulevard (State Road 414) to State Road (S.R.) 408 are scheduled between 12 a.m. and 5 a.m. on June 16 – June 17, 2017. To ensure no vehicles jump ahead of the rolling roadblock, westbound I-4 entrance ramps will be temporarily blocked by law enforcement officers. As the pace car passes an interchange, its westbound I-4 entrance ramp will be reopened allowing motorists to enter and join the slow roll. The rolling roadblock and temporary closures of westbound I-4 entrance ramps create a 30-minute window for crews to place girders across I-4 for an expanded S.R. 408 overpass. Two or three rolling roadblocks are scheduled to occur each night. Public safety vehicles (law enforcement, fire rescue, etc.) are permitted to skip past the rolling roadblock to respond to an emergency call.
