TRAFFIC SHIFT ON WESTBOUND MAITLAND BLVD. TO NEW ELEVATED ROADWAY

WESTBOUND MAITLAND BOULEVARD (STATE ROAD 414) SHIFTED TO NEW ROADWAY BETWEEN HOPE ROAD AND MAITLAND SUMMIT BOULEVARD.

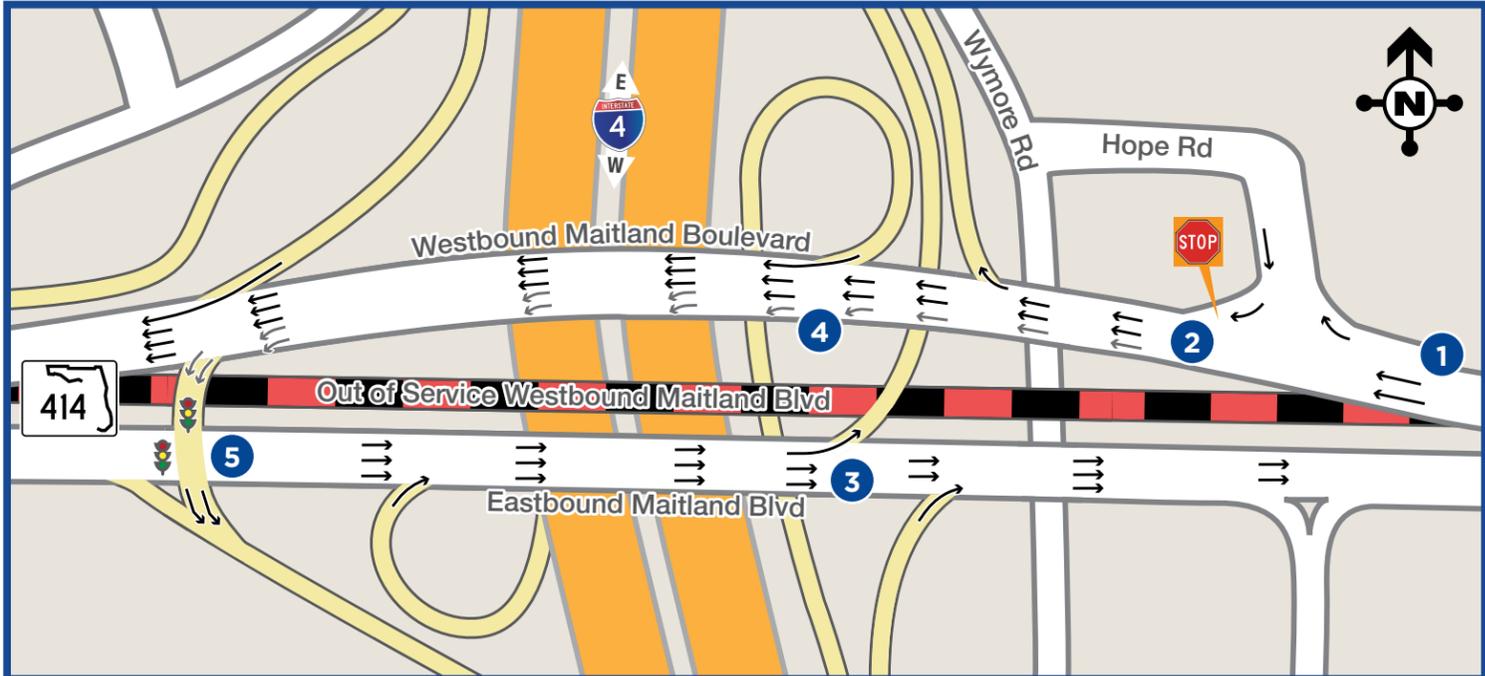

The Florida Department of Transportation shifted westbound Maitland Boulevard to its final configuration on a newly constructed elevated roadway. The westbound Maitland Boulevard shift affects traffic patterns at the Interstate 4 (I-4) interchange and intersections of Hope Road, Lake Destiny Road, Keller Road and Maitland Summit Boulevard. The new configuration eliminates traffic signals on the elevated stretch of westbound Maitland Boulevard alleviating congestion. To view or download a handout detailing how Maitland Boulevard and the I-4 interchange will look upon project completion, please visit: <http://fdot.tips/Maitland>.

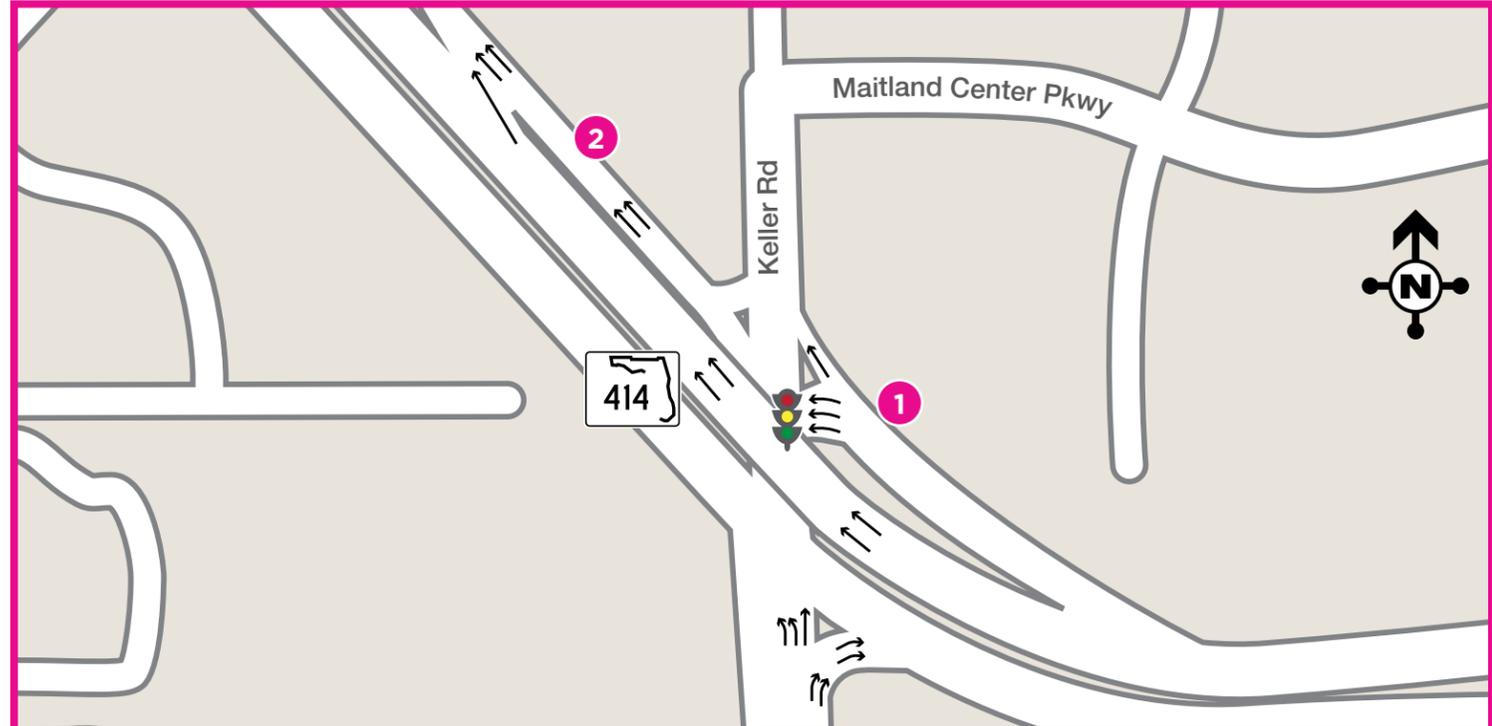

- ### WESTBOUND MAITLAND BOULEVARD
- 1 All motorists heading westbound on Maitland Blvd. from Maitland Ave. travel in the same direction to continue on WB Maitland Blvd., or enter Hope Road, EB I-4 or WB I-4.
 - 2 New permanent, elevated eastbound I-4 exit ramp to westbound Maitland Boulevard is approximately one-tenth of a mile sooner.
 - 3 The traffic signal at the end of the westbound I-4 exit ramp to westbound Maitland Boulevard (Exit 90B) is removed and the ramp is now free flowing onto westbound Maitland Boulevard.
 - 4 Left turn is added to southbound Lake Destiny Road from westbound I-4 exit ramp (Exit 90C).
 - 5 Access to westbound Maitland Boulevard from Lake Destiny Road is eliminated. Motorists traveling on Lake Destiny Road who wish to enter westbound Maitland Boulevard are encouraged to either use Maitland Center Parkway or Southhall Lane to enter via Keller Road.
 - 6 Motorists traveling on westbound Maitland Boulevard that want to exit to use Keller Road will exit onto a new ramp that will allow access to northbound or southbound Keller Road.
 - 7 Motorists on Keller Road can follow signage to a frontage road which provides access to westbound Maitland Boulevard or Maitland Summit Boulevard.
 - 8 Motorists traveling on westbound Maitland Boulevard may exit on a new ramp to a frontage road leading to Maitland Summit Boulevard.
 - 9 Motorists from the frontage road or Maitland Summit Boulevard can follow signs to get onto westbound Maitland Boulevard.
