## EASTBOUND I-4 ON-RAMP FROM MICHIGAN STREET CLOSING FOR ONE YEAR

LONG-TERM CLOSURE OF EASTBOUND INTERSTATE 4 (I-4) ON-RAMP FROM MICHIGAN STREET TO BEGIN MARCH 1

The Florida Department of Transportation is closing the eastbound I-4 on-ramp from Michigan Street for one year beginning 10 p.m. on Thursday, March 1. The long-term ramp closure is necessary to provide a safe work zone so construction crews can safely construct new bridge and ramp structures at the I-4 and Michigan Street interchange. When the I-4 Ultimate construction is complete in 2021, the Kaley Avenue and Michigan Street interchanges will work together (see reverse side for details).

### Traveling on Michigan Street to eastbound I-4:

- Travel west on Michigan Street
- Turn right onto Orange Blossom Trail (U.S. 441-17/92)
- Turn right onto Kaley Avenue
- Follow signs to eastbound I-4 on-ramp

### PROJECT INFO

The \$2.3 billion I-4 Ultimate project is reconstructing 21 miles of interstate from west of Kirkman Road to east of State Road 434 in Longwood. For more information about I-4 Ultimate, contact David Parks, I-4 Ultimate Public Information Officer, at 844-ULT-INFO (844-858-4636) or [DavidParks@i4Ultimate.com](mailto:DavidParks@i4Ultimate.com).

Closure subject to change. Construction progress, roadway conditions and weather may require schedule adjustments. Please check [i4ultimate.com/alertsmap](https://i4ultimate.com/alertsmap) for the most up-to-date information.

## REDESIGNED I-4 INTERCHANGE IMPROVEMENTS AT MICHIGAN STREET & KALEY AVENUE

When I-4 Ultimate construction is complete, Michigan Street and Kaley Avenue interchanges will work together.

**1** Adding longer entrance ramp from Kaley Avenue to westbound I-4 allows access to Michigan Street and improves access to westbound I-4.

**2** Adding a longer westbound I-4 exit ramp to Michigan Street provides more capacity for vehicles exiting I-4.

**3** Adding a longer eastbound I-4 exit ramp to Kaley Avenue provides more capacity for vehicles exiting I-4.

**4** Adding a longer entrance ramp from Michigan Street to eastbound I-4 allows access to Kaley Avenue and improves access to westbound I-4.

**5** Texas U-turns connect Kaley Avenue and Michigan Street with frontage roads that allow free-flowing, easy access between the two interchanges.
