EB I-4 EXIT RAMP TO AMELIA STREET SHIFTING TO NEW CONFIGURATION ON MAY 5

The eastbound Interstate 4 (I-4) exit ramp to Amelia Street (exit 83A) is shifting to a new temporary configuration to accommodate bridge work along eastbound I-4. Motorists will exit at a similar location as the existing ramp, but instead will continue on I-4 in a separate auxiliary lane before shifting slightly to the right toward Amelia Street. A three-night closure of the existing ramp is necessary to facilitate the shift. (See other page of handout for ramp closures and detour routes.)
