EB I-4 EXIT RAMP TO AMELIA STREET SHIFTING TO TEMPORARY LOCATION

The eastbound Interstate 4 (I-4) exit to Amelia Street (Exit 83A) is shifting to a temporary configuration as soon as the morning of April 3, and will be in place for about 18 months. The exit point from I-4 to the new temporary ramp is just past Amelia Street and will place motorists on a separate travel lane partitioned from Garland Avenue by a barrier wall. This interim configuration is necessary to continue construction of the new eastbound I-4 travel lanes through downtown Orlando. For more information, visit i4Ultimate.com/Amelia.
