WB I-4 EXIT RAMP TO IVANHOE BLVD SHIFTING

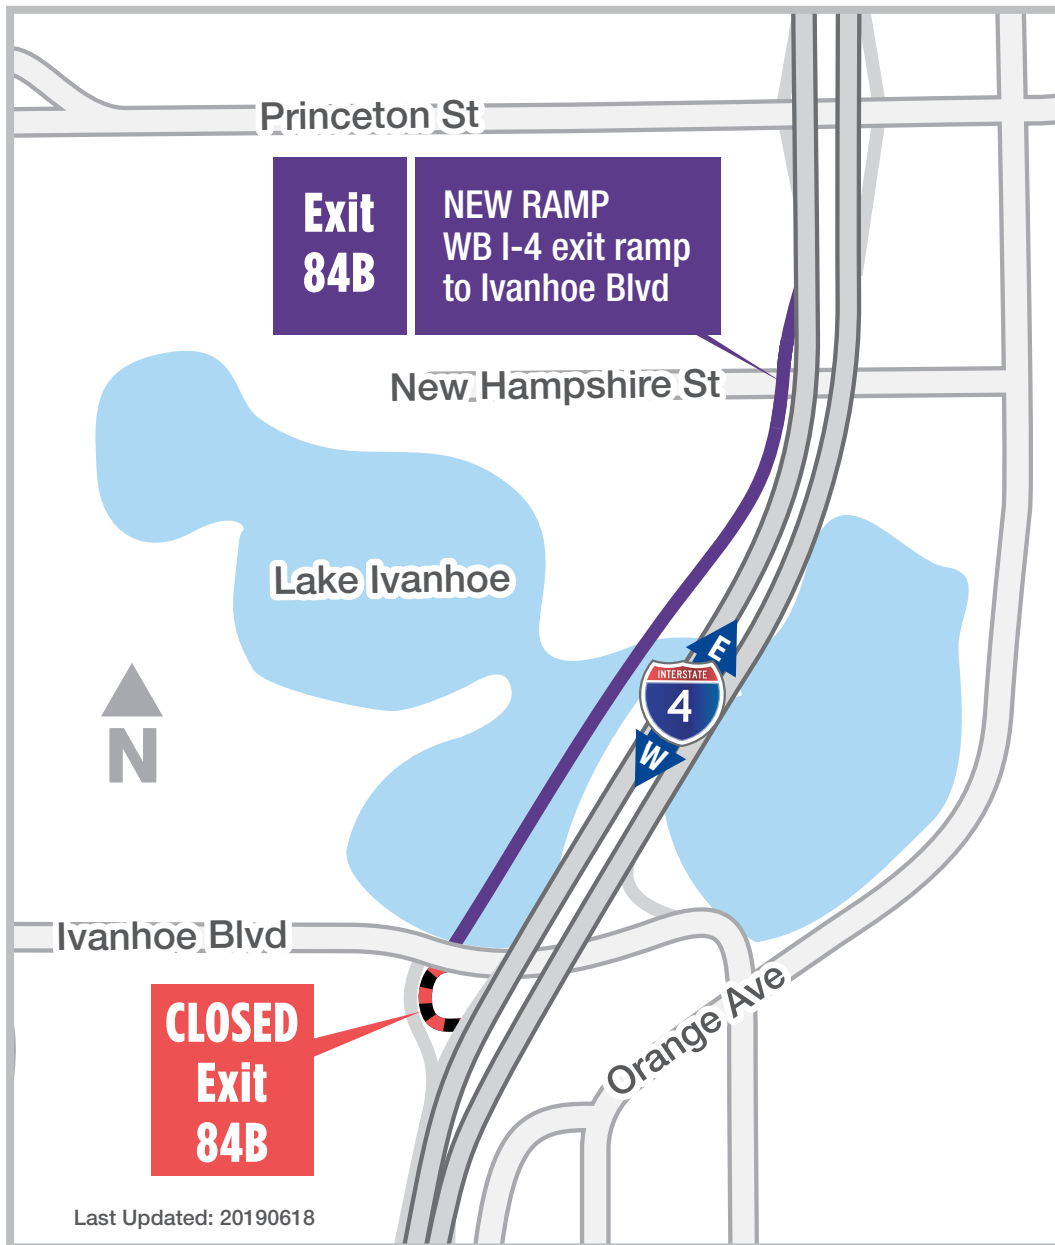

THE WESTBOUND INTERSTATE 4 (I-4) EXIT TO IVANHOE BOULEVARD (EXIT 84B) IS SHIFTING TO A NEW LOCATION AS SOON AS JULY 11

The westbound I-4 exit ramp to Ivanhoe Boulevard is shifting to a new location as soon as July 11. The loop ramp will be replaced with a straightened two-lane ramp. The shift will require motorists to exit nearly one-half mile sooner than before. The shift will place motorists on new, permanent pavement adjacent to the westbound interstate mainline.

Following this shift, the westbound I-4 ramps at Princeton Street and the westbound I-4 entrance ramp from Par Street also will move to interim configurations and create a temporary ramp system.
